

The WASP RAG

Winnipeg Wasps RFC, est. 1965

Tragic end to snow rugby season as coach calls for practices on Saturday.

Coach tries to use rabbit and greyhounds technique by sending Ramdwar on first MacRun. Unfortunately, Simone sped so quickly out of sight that the chase was pointless, and we all resorted to the "Night of the Living Dead" shuffle for seven blocks. Roddy "the Recruiter" Macleod shares his controversial methods for finding volunteers (namely, LIE!)

The High School Season is underway. Have you hugged a rookie lately? (New dues payment incentives- Bring a rookie, each pay half!)

Bill "Indiana" Bien recovers ancient Liar's Dice Box. The Spanish war chest went suddenly missing, to the dismay of only one man- "There was a lot of good wood in there I could have salvaged", mourned Harland.

Sid Fontoura books into Riviera instead of staying at his home in Edmonton. "I want to get thrown out of somewhere, and it's not the same to tell **yourself** that you're never to come back" explained the Cheetah.

A noticeable lack of anything from Miles

Note from Crash

I will be in Winnipeg from May the 13th until the 28th. I'll bring my boots, but I won't be able to go to Edmonton. Hopefully I will get to spend some time with you in the Bridge. -Crash

N.B. Gumbys and Crash's info is now correct in the Phone List.

Tshirts, Tshirts, Tshirts

New Wasp Tshirts for 1998. High quality Ts with the Wasp logo will be available for \$20.

I would like to introduce the newest addition to the Hive. Her name is Dana Hlady and she is our newest Therapist (Athletic Therapist, that is, although for enough money I'm sure she would listen to your problems). Dana is a Phys Ed student at the U of M and plans to graduate this fall. She has spent a few years as a Therapist with the Churchill High School Football Team and with the U of M Bisons Wrestling squad. In addition to all this she is a candidate with CATA (Canadian Athletic Therapist's Association) and has taken all kinds of courses in First Aid and CPR etc. which should really help out the third team (specifically Saint). And there's more . . . she is able to help with conditioning and lifting programs and with any rehabilitation regimens. I encourage you to introduce yourself when you meet her.

Welcome aboard Dana!

Here's the bad news. In order to cover the cost of having a Therapist we are going to go back to the \$1 a game rule which means whether you use her services or not, you pay a dollar at the end of the game. Consider it a form of insurance. The Club is picking up the cost of the supplies etc.

Yeah, Yeah I know that the RAG was expected mailed some time ago. I'm beginning to realize that coaching a school team, refereeing 4 days a week, coaching on Sunday and working an extra shift once in a while was seriously cutting into my lounging in front of the TV time. I'll probably be getting a lot more occupied in the next few months, so I'm looking to pass off the discs and duties of writing all this drivel and slander. Any takers?

If you have corrections to make to the Phone List, call Scott at 237-4559.
